The subtle differences in nuances and the intrinsic detail give life to an uneven surface in a product that is driven by the contemporary recovery of traditional materials. The Aparici Cotto Collection recreates the handmade aspect of hand-cast clay, made up of three different tonalities - Sand, Brown and Rosso – that will inevitably recreate the warmth of the Mediterranean.

Ideal for both interior and exterior spaces, with its 2 cm porcelain and non-slip finish, this series expresses a perfect balance of shapes and colors with its wide variety of formats - 30x30cm, 60x60cm and 50x100cm. A natural appearance that will enhance any space with a fresh and timeless atmosphere in perfect harmony.

Las sutiles diferencias en los matices y el cuidado por los detalles, dan vida a una superficie desigual en un producto que impulsa la recuperación contemporánea de los materiales tradicionales. En la Colección Cotto de Aparici se recrea el aspecto artesanal del barro moldeado a mano, conformado en tres tonalidades - Sand, Brown y Rosso - que nos trasladan inevitablemente a las cálidas tierras del mediterráneo.

Ideal tanto para espacios interiores como exteriores, con sus piezas de 2 cm de espesor y el acabado antideslizante, esta serie expresa un equilibrio perfecto de formas y colores con su amplia variedad de formatos - 30x30cm, 60x60cm y 50x100cm. Su aspecto natural potencia la reinterpretación de espacios con un estilo fresco, atemporal y en perfecta armonía.
